## GOLDONI QUALITY

Strict controls throughout the entire manufacturing process ensure that our machines continue to be reliable over time. Final testing is performed according to a checklist that leaves no room for improvisation.

## 100% MADE IN GOLDONI

All spare parts marked *Goldoni Parts 100% Original* are manufactured in Goldoni's plant of Migliarina di Carpi, in Italy.

## AVAILABILITY OVER TIME

Only Goldoni has stocks that ensure the part you need will still be available for up to 40 years after your tractor model is no longer produced.

## URGENT DELIVERIES

GOLDONI provides an ON-LINE ordering system for all workshops and can also make urgent deliveries for speedier repairs.

To find out where your nearest workshop is, consult the website [www.goldoni.com](http://www.goldoni.com)

**Routine  
Maintenance**  
Long life for your Goldoni!

**Here, your tractor  
is in the very best hands.**

**Original spare parts  
mean value over time.**

## CONGRATULATIONS!

You've chosen a Goldoni and that says a lot about the way you deal with life. It says that you know your own mind when it comes to work and **that you consider efficiency and sturdiness to be of prime importance**. It also says that you know how to get your money's worth and **how to invest in the future**, because everything you do now is planned for the results you intend to achieve tomorrow. We at Goldoni also believe that time is our friend. When we make a machine, we do so because we are convinced that it must last a long time and always guarantee the safety and reliability for which you chose it. **Now it's up to you to ensure a long life for your work mate and to do this, all you need is Goldoni assistance and original spare parts.**

## GOLDONI ROUTINE MAINTENANCE

The best way to lengthen the life of your tractor and reduce down times to the very minimum is to rely on the **GOLDONI** routine maintenance service.

There are more than 300 workshops where you can book a servicing appointment and it's only there that you can be sure of **finding original spare parts and mechanics** who have attended specific training courses held by Goldoni technicians for servicing our products. Get in touch with your dealer today. **Good maintenance can prevent faults and costly breakdowns at the most inappropriate times. It's better to think ahead. Ask for info now!**

## GOLDONI PARTS 100% ORIGINAL

The value of a **GOLDONI** original spare part lies in the experience on which it is based, plus the time and unnecessary costs it can save you in the long run. The raw materials and processes used to make every spare part that leaves the **GOLDONI** plant sustain the same stringent tests to which each individual component of our tractors is subjected. Experience, **reliability and strict controls are what distinguishes a GOLDONI** original spare part from any other spare and a 100% **GOLDONI** tractor will **maintain its value over time**, even when it is second-hand.
